

BioLegend Now Selling Direct to Italy

Pricing

Effective 1 June 2010, BioLegend's quality products will be available directly to Italian customers at www.biolegend.com/it, with full product information and Italy list pricing. Special pricing for bulk orders of LEAF™ (Low Endotoxin, Azide-Free) format monoclonal antibodies for *in-vitro* and *in-vivo* studies and any other antibodies are also available. Inquire today regarding a discount for your lab at salesitaly@biolegend.com.

Delivery

BioLegend has a product inventory warehouse at BioLegend Europe to support our European distributors and customers where we sell direct. When orders are placed with BioLegend Europe, as long as the product is in stock, your order can be shipped either on the same day of ordering (if order is placed before 12:00 noon) or the following business day, for overnight delivery. Most of our popular products are maintained at BioLegend Europe warehouse. All orders are shipped F.O.B. Uithoorn, The Netherlands.

Service

BioLegend is committed to offer outstanding customer and technical support to our customers. You can contact salesitaly@biolegend.com for customer support and techeurope@biolegend.com for technical support.

How to Order

You can place your orders either directly with BioLegend Europe or with our local logistics partner, Campoverde Srl, if your institution or purchasing department cannot quickly set up BioLegend Europe as a vendor. Orders can be placed via email, telephone, or fax. Please see the contact details below:
